Curriculum Vitae, Annalisa Pelizza

A. Personal data

Academic title: Full professor
Email: annalisa.pelizza2@unibo.it
Address: via Azzo Gardino 23, 40122 Bologna (IT)
OrcID.org/0000-0002-7720-5659
Academia.edu: https://utwente.academia.edu/AnnalisaPelizza
Research Gate: https://www.researchgate.net/profile/Annalisa_Pelizza

B. Academic education and qualifications

Doctorate
University of Milan-Bicocca
Ph.D. program "QUA_SI – ICT Applied to the Knowledge Society and Educational Processes". (Interdisciplinary program encompassing Sociology and Social Sciences, Education and Media Studies, Computer Sciences, Economics and Organization)
Thesis title: "Tracing Back Communities. An analysis of Ars Electronica's Digital Communities archive from an ANT perspective" (original English version). Defended on March 2, 2009.
Promotor: Prof. Guido Martinotti
Research partners: *Ars Electronica*, International Festival for Art, Technology and Society, Linz (AT) and *Ludwig Boltzmann Institute Media.Art.Research*, Linz (AT)
Final evaluation: outstanding (5/5).

Master/Laurea (pre-Bologna process, 5 years)
University of Bologna
Program in Media Studies and Communication
Thesis title: "Semio-activism: Analysis of television coverage of the social movements reclaiming a new humanism".
Final evaluation: 110/110 *cum laude*

C. Appointments

Date: September 2019 / Current
Employer's name: **University of Bologna** (IT), Department of Philosophy and Communication
Occupation or position held: Professore Ordinario (Full Professor), 1 fte, invited, tenured
Main activities: 1) Researcher; 2) teacher; 3) administration
1) Principal Investigator ERC project "Processing Citizenship: Digital registration of migrants as co-production of citizens, territory and Europe"; 2) Teacher at bachelor and master level, PhD supervisor; 3) Member of faculty

Date: October 2016 / August 2019

Employer's name: **University of Twente** (NL), Faculty of Behavioural and Management Studies, Department of Science, Technology and Policy Studies (STePS)

Occupation or position held: Universitair Hoofdocent (Associate Professor), 1 fte, invited, tenured

Main activities: 1) Researcher (75%); 2) teacher; 3) administration

2) Principal Investigator ERC project "Processing Citizenship: Digital registration of migrants as co-production of citizens, territory and Europe"; 2) Teacher at bachelor and master level, PhD supervisor; 3) Member of faculty and university boards on research strategy, academic leadership and scientific integrity.

Date: September 2013 / September 2016

Employer's name: **University of Twente** (NL), Faculty of Behavioural and Management Studies, Department of Science, Technology and Policy Studies (STePS)

Type of business or sector: higher education (university)

Occupation or position held: Marie Curie IEF fellow, Universitair Docent (Assistant professor), 1 fte

Main activities: 1) Principal Investigator of the "Translating Institution" research project funded under the EU FP7 Marie Curie IEF actions for career development, until September 2015; 2) teacher at bachelor and master level, PhD supervisor; 3) administration at departmental and faculty level.

Fellowships and visits

From September 2019 onwards
Visiting professor, **University of Twente** (NL)

February-June 2017
Resident fellow, **Paris Institute of Advanced Studies**, Paris (FR)

December 2016
Visiting fellow, **Munich Center for Technology in Society**, Munich (DE)

2006 / 2008
Ph.D. candidate, **Ludwig Boltzmann Institute Media.Art.Research** and **Ars Electronica**, Linz (AT). Ph.D. research on digital communities. Results: PhD thesis (Pelizza 2009b), book (Pelizza 2018).

August 2006
Visiting graduate student, Seminar in Experimental Critical Theory 'Technospheres: Futures of Thinking'. **Human Research Institute, University California Irvine**, CA (US).

Pelizza, A. and Hoppe, R. (2014), '[Wil je ICT-problemen oplossen? Maak dan controversen zichtbaar!](#)' [Do you want to solve IT problems? Then make controversies visible!], *Binnenlands Bestuur*. (Research-informed commentary in professional policy journal)

E. Teaching experience

2020/2021, 2019/2020
"**Technology Studies of Communication**" course, master program in Semiotics, University of Bologna.

2020/2021, 2019/2020
"**Sociology of Communication**" course, bachelor program in Communication Sciences, University of Bologna.

2018/2019, 2017/2018, 2015/2016
"**Science and Technology Studies**" course, master programs "Philosophy of Science, Technology and Society" and "Industrial Design", University of Twente.

2018/2019, 2017/2018, 2016/2017, 2015/2016
"**Analysing Technology in Society**" course, bachelor program "Advanced Technology", University of Twente.

2018/2019, 2017/2018
"**Technology and Migration**" course, bachelor program "European Public Administration", University of Twente.

2016/2017, 2015/2016
"**Reflection on data management**" and "**Politics by algorithms**" courses, bachelor programs "Computer

Science", "Business Informatics", "Creative Technologies", University of Twente.

2015/2016, 2014/2015

"**Theory and Practice of Interaction in Digital Art**" course, bachelor program "Creative Technologies", University of Twente.

PhD supervision

2019/2022 Supervision of Yoren Lausberg's PhD research in the context of the ERC project "Processing Citizenship", Department of Philosophy and Communication, University of Bologna (IT).

2019/2022 Supervision of Lorenzo Olivieri's PhD research in the context of the ERC project "Processing Citizenship", Department of Philosophy and Communication, University of Bologna (IT).

2018/2022 Co-supervision (with prof. S. Kuhlmann and dr. M. van Keulen) of Wouter van Rossem's thesis "Finding Blind Spots. Infrastructuring the European information systems for security, border and migration management" in the context of the ERC project "Processing Citizenship", Department of Science, Technology and Policy Studies (STePS), University of Twente (NL).

2015/2017 Co-supervisor of Jesper Katomero's thesis "Accountability as an Element of Governmentality", Department of Science, Technology and Policy Studies (STePS), University of Twente (NL). Promotor: prof. R. Hoppe. (Reference letter by PhD candidate available).

2014/2016 Co-supervisor of Carla Alvial Palavicino's thesis "Mindful Anticipation. A practice approach to the study of expectations in emerging technologies", Department of Science, Technology and Policy Studies (STePS), University of Twente (NL). Promotor: prof. S. Kuhlmann. (Reference letter by PhD candidate available).

Master student supervision in Science and Technology Studies, IT Policy and Philosophy of Technology at the University of Twente and University of Bologna.

Professional teaching

September / November 2007 and March / April 2009

Lectures and designer, "ICT towards the decentralization of the PA. Enti locali in Rete" course, Bologna, Ferrara, Ravenna, Forlì, Rimini, Piacenza, Parma, Reggio-Emilia, Modena (IT). Course funded by **Emilia-Romagna Regional Government**, in collaboration with Italian Union of Provinces and National Association of Italian Municipalities. Intended audience: local institutions' employees and executives; Regional Government's employees and executives.

F. Lectures, keynote, conferences

Invited presentations and keynote lectures (selection, since 2016)

16 November 2020
Keynote opening lecture, participation based on invitation
"Making Europe through infrastructures of (in)security" workshop, University of Vienna, Austria

15 September 2020
Keynote opening lecture, participation based on invitation
European International Studies Association (**EISA**) Early Career workshop series, Malta

13 December 2019
Panel convenor and presenter, participation based on invitation
'Towards an STS approach to identification?' panel, featuring A. M'Charek, J. Bier, S. Wyatt, V. Toom. Netherlands Graduate School in Science, Technology and Modern Culture (**WTMC**) Annual Meeting, Amsterdam

15-16 November 2019
Keynote lecture, participation based on invitation
'Technologies et migrations. Corps, identités et technologies digitale dans le phénomène migratoire contemporain', CETCOPRA, **Université Sorbonne Paris 1**

2 September 2019
Keynote lecture, participation based on invitation
'STS and migration infrastructures' lecture series, **Kassel University** (DE)

03 June 2019
Keynote lecture 'Technology and Infrastructures. Digital registration of migrants as techno-social assemblage', participation based on invitation
Utrecht Center for Global Challenges, 'Digitized Global Mobilities. The Role of New Media and Digitization in the security approaches of the refugee crisis', Utrecht University (NL)

11 February 2019
Keynote lecture 'Intersectionality for High Tech, with Human Touch', participation based on invitation
Female Faculty Network Twente's annual conference (NL)

15-17 November 2018
Lecture, participation based on invitation
'B/ORDERS IN MOTION – Current challenges and future perspectives' conference, organized by Collegium Polonicum (Słubice) and European University Viadrina (Frankfurt/Oder), Frankfurt/Oder (DE)

29 August-1 September 2018
Presentation, 'Us and Them: Sociotechnologies of Alterity/Otherness' closed panel convened by L. Suchman, with K. Barad, M. Christie and H. Verran, A.Say Chan, L. Suchman, participation based on invitation
Annual Conference of the Society for the Social Studies of Science (4S), Sydney (AU)

7 June 2018
Lecture, 'ICT and the management of refugee flows and services' workshop, participation based on invitation
Information Systems Department, London School of Economics, London (UK)

10 May 2018
Closing roundtable member, conference 'La Ricerca Scientifica: un valore per il Paese', participation based on invitation
Italian National Research Council, Gruppo 2003, Scienza in Rete, Rome (IT)

27-28 November 2017
Lecture, 'Varieties of Citizenship in a Globalised World' conference, participation based on invitation
Robert Schuman Centre for Advanced Studies, European University Institute, Fiesole (IT)

15-16 November 2017
Participant, 'Blockchain4Europe' workshop, European Joint Research Centre and European DG Grow, participation based on invitation
Joint Research Centre of the European Commission, Brussels (BE)

19-20 October 2017
Closing roundtable member, ERC Project *Follow* conference 'Secrecy and Methods in Security Research', participation based on invitation
University of Amsterdam, Haarlem (NL)

7 September 2017
Panel chair and presenter, 2017 Tensions of Europe conference, participation based on invitation
National and Kapodistrian University of Athens, Athens (GR)

26 June 2017
Lecture, participation based on invitation
Télécom ParisTech, Paris (FR)

8 June 2017
Keynote lecture, participation based on invitation
Institute of Communications Sciences (ISCC)/CNRS/Sorbonne/UPMC, Paris (FR)

11 April 2017
Lecture, participation based on selection and invitation
Paris Institute of Advanced Studies, Paris (FR)

16 March 2017
Lecture, 'Peopling Europe through Data Practices' conference, participation based on selection and invitation
ERC project Arithmus, Tate Modern-Goldsmiths, London (UK)

16 December 2016
Keynote lecture, colloquium 'Connected Migrants: encapsulation or cosmopolitanism?', participation based on invitation
Royal Dutch Academy of Sciences, Amsterdam (NL)

08 December 2016
Keynote lecture, *Vorhölzer Forum* lecture, participation based on invitation
Munich Center for Technology in Society, Munich Technical University (DE)

27-28 October 2016
Opening address, participation based on invitation
European Commission and Eastern Partnership Panel on Migration and Asylum, in collaboration with International Organization for Migration, Latvian and Ukrainian governments, Riga (LT).

29 January 2016
Discussion with Karin Knorr-Cetina, participation based on invitation
STS Italia Decennial celebration, University of Rome Sapienza, (IT).

Conferences (selection, since 2014)

18-21 August 2020
International conference, n. of participants: around 2000, every four years
Joint Meeting of the European Association for the Study of Science and Technology (EASST) and the **Society for Social Studies of Science** (4S), Prague.
Co-convener (with C. Aradau, King's College London) and presenter, 'Proliferation, dispersal and (in)security: towards new vocabularies for the debate between STS and critical security studies' panel.

27/30 June 2019
International conference, biannual
Presenter, participation based on selection
Tensions of Europe 2019 Conference, University of Luxembourg, Luxembourg

19/21 June 2019
International conference, biannual
Presenter, participation based on selection
'The web that was: archives, traces, reflections', **Research Infrastructure for the Study of Archived Web Materials** conference (RESAW), organized by the University of Amsterdam.

25 /28 July 2018
International conference, n. of participants: around 800, biannual
EASST 2018 International Conference, Lancaster (UK).
Panel convener, 'The European Other as site of institutional experiment. Articulating friction in infrastructures for processing alterity' panel (with M. Antonakaki, MCTS Technical University Munich). In addition, presenter of the lecture titled: 'Processing Alterity, Shaping the Europe Order'.

14 /16 June 2018
International conference, n. of participants: around 300, biannual
7th STS Italia International Conference, Padova (IT).
Convener, 'Digital migrants and moving infrastructures' panel (with G. Nicolosi, University of Catania).

24 /26 November 2016
International conference, n. of participants: around 300, biannual
6th STS Italia International Conference, Trento (IT).
Convener, 'Let's Do Retro-ANT' panel (with A. Mattozzi, Free University of Bozen). In addition, presenter of the lecture titled: 'Paradigmatic and Syntagmatic Dimensions of Digital Circulation'.

31 August/03 September 2016

International conference, n. of participants: around 1.500, every four years
Joint Meeting of the European Association for the Study of Science and Technology (EASST) and the **Society for Social Studies of Science** (4S), Barcelona (ES).
Convener the 'Materializing governance by information infrastructure' panel (with S. Milan, University of Amsterdam and F. Musiani, Institut de Sciences de la Communication/CNRS/Sorbonne). In addition, presenter of the lecture titled: 'Reshuffling the Government Machine. Digital Infrastructures of Bureaucratic Exclusion'.

24/28 July 2016
International congress, n. of participants: around 2.000, annual
World Congress of the International Political Science Association (IPSA), Poznan (PL).
Convener of the 'Reshuffling Administration. Digitization of Governmental Information Systems as State Redesign' parallel session. In addition, presenter of the lecture titled: 'Materializing Autarchy. Counter-evidence of vendor lock-in in cadastral information systems'.

11/14 November 2015
International conference, n. of participants: around 1.800, annual
Presenter, **Annual Meeting of the Society for Social Studies of Science** (4S), Denver (US).
'Social Studies of Politics: Assembling Governance' session. Lecture title: 'Reshuffling the State. Government information systems building capabilities for denationalization'.

20/23 August 2014
International conference, n. of participants: around 1.500, annual
Presenter, **Annual Meeting of the Society for Social Studies of Science** (4S), Buenos Aires (AR).
'STS and "the state"' session. Lecture title: 'Translating the State. Digitization of Governmental Information Flows from an ANT perspective'.

G. Grants, fellowships, awards and scholarships

Role of A. Pelizza	Subject	Origin	Duration	Volume
Supervisor of Dr. C. Coletta	**Marie Skłodowska Curie Actions (MSCA) Global Fellowship**. Excellence in Science pillar Highly competitive (10% success rate) fellowship for excellent researchers	**European Commission,** Horizon 2020 program, European Research Council	2020/ 2023	Euro 172 761.60
Principal investigator	**European Research Council (ERC)**, Starting Grant. Excellence in Science pillar Highly competitive (10% success rate) fellowship for excellent researchers	**European Commission,** Horizon 2020 program, European Research Council	2017/ 2022	Euro 1.498.614

Individual beneficiary	Chancellor's Fellowship in Data Science (i.e., prestigious tenure-track position, https://www.ed.ac.uk/human-resources/jobs/chancellors-fellowships) *Declined for Brexit and concomitant ERC grant*	University of Edinburgh, School of Social and Political Science, Science, Technology and Innovation unit	From 2016 onwards	N/A
Fellow	Paris IAS 2017-2018 Fellowship (https://www.paris-iea.fr/en/)	Paris Institute of Advanced Studies (IAS), in collaboration with Institut des Sciences de la Communication, CNRS/Paris Sorbonne/UPMC	2017	N/A
Leader WP1 and co-leader WP5, participant in other WPs	Horizon2020 Grand Challenge 5- 03 "EU-MACS. European market for climate service" *Declined in favour of colleagues, as concomitant with ERC grant*	European Commission, Horizon2020 program	2016/ 2018	Euro 1.499.621
Individual beneficiary	IEF Marie Curie Grant for Career Development Excellence in Science pillar Highly competitive (10-15% success rate) grant	European Commission FP7 for Research, Research Executive Agency (REA)	2013/ 2015	Euro 183.470
Award winner	'Best Paper' to PhD-thesis-drawn essay 'Openness as an Asset. A Classification System for Online Communities based on Actor-Network Theory' (approx. 150 international participants)	WikiSym 2010, 6th International Symposium on Wikis and Open Collaboration. Conference organizers: Wikipedia, TJEF: The John Ernest Foundation, CM Special Interest Group on Hypertext, Hypermedia, and Web (SIGWEB).	2010	/
Scholarship recipient	Scholarship weaving tuition fee to participate in the Third Seminar in Experimental Critical Theory on Digital	University of California at Irvine	2006	$ 3000 (approx.)

	Futures			
Award, spokesperson	Digital Communities competition, Award of Distinction (2nd prize)	**Prix Ars Electronica, Linz (AT)**. Oldest world-wide competition for digital technologies and society	2005	Euro 5.000
Scholarship recipient	**Ranked 1st** at PhD Program admission test (about 30 candidates). Scholarship for Ph.D. attendance	**University of Milan-Bicocca**	2004/ 2007	Euro 30.000 (approx.)
Award winner	Master-thesis-derived paper of television studies awarded **close-second winner of the 1st edition of the Mauro Wolf Prize on the social effects of media**	**Baskerville Publisher (IT), University of Bologna, University of Rome Sapienza,**	2004	Euro 1.400

H. Positions of trust and institutional responsibilities

- 2019-Current, Faculty member, Department of Philosophy and Communication, University of Bologna, IT
- 2019-2022, Council Member, European Association for the Study of Science and Technology (EASST) (elected with absolute vote majority)
- 2018-2020, ERC-funded project *DATACTIVE* (https://data-activism.net/), Ethical Advisory Board member
- 2016-2019, Member Young Academy @ UT, University of Twente, NL (invited)
- 2016-2019, Member BMS Faculty research strategy committee, University of Twente, NL (invited)
- 2013-2019, Faculty member, Behavioural, Management and Social Studies Faculty, University of Twente, NL
- 2010-2013, Procurement committee member, Lepida S.p.A. (nominated by CEO)
- 2006-2013, International Scientific Advisory Board for Digital Communities, *Prix Ars Electronica* Linz, AT (invited)

I. Membership of scientific societies

- 2010 / current, member, *EASST - European Association for the Study of Science and Technology*
- 2010 / current, member, *STS Italia - Italian Association for Science and Technology Studies*
- 2014 / current, member, *Society for Social Studies of Science* (4S)
- 2015 / 2019, member, *Netherlands Graduate Research School of Science, Technology and Modern Culture* (WTMC)
- 2016 / 2018, member, *International Policy Science Association* (IPSA)

J. Editorial and evaluation activities

- 2020 / Current, Member, Editorial Board *Science, Technology and Human Values* (invited)

- 2018 / Current, International Correspondent, *Tecnoscienza – Italian Journal of Science and Technology Studies* (invited).

- 2013-2018, Member, Editorial Board *Tecnoscienza – Italian Journal of Science and Technology Studies*

(invited).

Grant Assessor:

- 2020, European Research Council (ERC), SSH 3 panel (invited)

- 2019, Dutch Organization for Scientific Research (NWO), Veni Evaluation Commission for the Social Sciences and Humanities, Philosophy and Religion panel (invited)

- 2018, U.S. National Science Foundation (NSF) (invited)

Journal Reviewer:

- Big Data and Society; British Journal of Sociology; Science, Technology and Human Values; Research Policy; Internet Policy Review; Information, Communication & Society; Administration & Society; Science, Technology and Society; Engaged Science, Technology, and Society. (Invited)

- 2020, senior referent, *World Pandemic Research Network* (invitation by Advisory Board https://wprn.org/board_and_contributors)

K. Other research and management positions

Date: May 2010 / July 2013
   Employer's name: **Lepida S.p.A.**, User applications area, Research and Development area, Bologna (IT)
   Type of business or sector: in-house telecommunication engineering company
   Occupation or position held: large-scale IT systems project manager and ethnographer of digital technologies, 1 fte, invited, tenured
   Main activities: 1) Project management; 2) ethnographer of ICT design and use

Date: September 2006 / May 2010
   Employer's name: **Emilia-Romagna Regional Government**, Department for Administrative Innovation and Simplification, Bologna (IT).
   Type of business or sector: regional government
